

Yonex Czech International (26 - 29 September 2013)

The city ,

The second biggest city in Czech republic was the city that held the tournament, Brno . A city with colourful buildings ,especially pink.

Catering, organization ,

We went from Vienna to Brno by car which took about two hours.

The hotel we stayed was next to the hall and we had our meals in that same hotel.the organizer provided us snacks and drinks during the tournament.

As we all had a shift off we could go and see the city.

We were invited by Czech federation to a dinner and wine testing on Saturday night.

Hall, referees and umpires ,

The main hall had 5 courts but there was not a practice hall .

Our referee was Cleopatra Monco from Italy and the deputy referee was Ivan Skacha from Czech republic.

21 umpires ,

Czech republic(7), Belarus, England, Finland(2), France, Hungary, Poland(2), Slovenia(2), the Netherlands and Austria(3) .

We had 6 line judges in the finals and semi finals and 4 for quarter finals. Qualification draw 2 and 3 before quarter finals.

I had 22 duties ,including umpire MS final.

I had many good matches with new experiences.
