

XIV Italian International (9-12 December 2014)

The Italian International was held in city of Ostia around 20 minutes to Rome Capital city of Italy.

I had a direct flight from Barcelona to Rome and from there with the official transport to Ostia.

We stayed in a dormitory next to the hall and we only had Wifi in one of the buildings where we also had our breakfast and dinner. We had sandwiches for lunch and also snacks and soft drinks in the hall.

The hall had 6 courts. We had 2 line judges from the qualification draws to semi finals and for the semi finals and finals we had 4 line judges.

Our referee was Ronny De Vos from Belgium and Deputy Referees were Darko Ivan Vidakovic (on BEC referee assessment) from Croatia and Cleopatra Monco from Italy.

We were 18 umpires who according to their countries are as following: Belgium, Bulgaria, Denmark, England, Finland, France, Hungary, Italy (7), Sweden, Switzerland, Wales and Austria.

We all were invited by organiser to a dinner on Thursday night.

I had 28 duties including service judge Men's single final.
